Old Business

Repair the front steps of the firehouse- completed. Drilled to connect – footers are solid. Last coat on pillars when they are up. Kurt will find out from them what is used for sealer and how often it should be done.

Sign – Kurt reached out to them – said they would have done before winter. End of October is ship date.

Kurt met with Nick Bedard – gave price of \$700 to put recirculation pump in

178 Van – unable to get parts local. Have to order online. \$190 with estimated shipping. Scott motion to purchase parts and fix the van, Morris seconded, all in favor.

Driveway-

Don's Sealcoating - Seal cracks one side and seal both sides \$7856, without sealing cracks \$6394.

Kurt Gregory - Fill cracks \$550, deal coat \$1519, 4 yellow stipes 30' \$250 =\$2349 (one side) for all. Clean and prep surfaces and clean cracks. Morris made motion to have Kurt Gregory to fill cracks and seal one side – not paint stripes for \$2099, Matt seconded, all in favor.

Pump tests done

County will inspect the trucks. Kevin will take over on a Friday, one at a time- not taken over yet.

James Crowningshield is cleaning firehouse. Scott has written job description.

FIT tests, airpack maintenance – October/November

CO detectors – inventory – only one was not timed out – 3 months left. Purchase 4 ISC Tango single CO detectors \$249 – sensors last longer and can get new sensors (shelf life longer). Matt made motion to purchase 4, Scott seconded, all in favor.

Support members – radio operator, helpers – called insurance to find out what they can do/need additional insurance.

Meridith Gilman – applied for membership for the department. Will be at the fire department meeting on 10/4/2022. Morris make motion that we send her out for physical, Kurt seconded, all in favor.

Shelf for strut parts – Jamie is making shelf
