

January 17, 2024 - Jay Fire District Commissioners Special Meeting

Commissioners present: Matt Miller, Kurt Williams, Morris Coolidge

Commissioners absent: Scott McDonald, Kevin Lincoln

Meeting was opened by Matt at 6:30.

Financing –

- Look into financing – need to have in place first
- Check with Upper Jay and AuSable to see how they financed their new vehicles
- Leased in 2007
- Can it be in bid specifications that they finance the truck

Refurbish or buy-

- No warranties on refurbished trucks
- Holding off price increase 50-66% - based on increase price on 2007 E-1
- Will '90 make it as a backup for the next 10 years – rust and other users
- Maybe rehab '07 after purchase of new truck so there will be 2 good vehicles
- If 07 in for repairs – would have to rely on the '90
- Sel '90 now while the price is better than in 10 years
- Get price for refurbishing

Matt made motion to adjourn meeting, Kurt seconded, all in favor 8:00 pm
